The aggregate number of shares which may be issued shall be based on the total number of issued shares (excluding treasury shares and subsidiary holdings) of the Company at the time that Resolution 6 is passed, after adjusting for (a) new shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which were issued and are outstanding or subsisting at the time that Resolution 6 is passed, and (b) any subsequent bonus issue, consolidation or subdivision of shares. As at 8 March 2022 (the “**Latest Practicable Date**”), the Company had no treasury shares and no subsidiary holdings.

Item 7 – Resolution 7 is to renew a mandate to enable the Company, its subsidiaries and associated companies that are entities at risk (as that term is used in Chapter 9 of the Listing Manual), or any of them, to enter into certain interested person transactions with specified classes of interested persons, as described in the Letter. Please refer to the Letter for more details.

Item 8 – Resolution 8 is to renew the mandate to enable the Company to purchase or otherwise acquire its issued Shares, on the terms and subject to the conditions set out in the Resolution.

The amount of financing required for the Company to purchase or acquire its Shares, and the impact on the Company’s financial position, cannot be ascertained as at the date of this Notice as these will depend on the number of Shares purchased or acquired, whether the purchase or acquisition is made out of profits or capital, the price at which such Shares were purchased or acquired and whether the Shares purchased or acquired are held in treasury or cancelled.

The illustrative financial effects shown in paragraph 3.7 of the Company’s Letter to Shareholders dated 1 April 2022 are based on a purchase or acquisition of Shares by the Company of up to (i) 0.10% of its issued Shares which, based on the number of issued and paid-up Shares as at the Latest Practicable Date and assuming that on or prior to the Annual General Meeting, no further Shares are issued, purchased or acquired by the Company, and held as treasury shares, and no Shares are held as subsidiary holdings, is 2,606,694 Shares, and (ii) 10% of its issued Shares which, based on the number of issued and paid-up Shares as at the Latest Practicable Date and assuming that on or prior to the Annual General Meeting, no further Shares are issued, purchased or acquired by the Company, and held as treasury shares, and no Shares are held as subsidiary holdings, is 264,815,020 Shares.

In the case of market purchases by the Company and assuming that the Company purchases or acquires the 2,606,694 Shares representing 0.10% of such issued Shares at the Maximum Price of S\$0.442 for one Share (being the price equivalent to 5% above the average of the last dealt prices of the Shares for the five consecutive market days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 2,606,694 Shares is S\$1,152,159. In the case of off-market purchases by the Company and assuming that the Company purchases or acquires the 2,606,694 Shares representing 0.10% of such issued Shares at the Maximum Price of S\$0.504 for one Share (being the price equivalent to 20% above the highest dealt prices of the Shares on the market day on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 2,606,694 Shares is S\$1,313,774.

In the case of market purchases by the Company and assuming that the Company purchases or acquires the 264,815,020 Shares representing 10% of such issued Shares at the Maximum Price of S\$0.442 for one Share (being the price equivalent to 5% above the average of the last dealt prices of the Shares for the five consecutive market days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 264,815,020 Shares is S\$117,048,239. In the case of off-market purchases by the Company and assuming that the Company purchases or acquires the 264,815,020 Shares representing 10% of such issued Shares at the Maximum Price of S\$0.504 for one Share (being the price equivalent to 20% above the highest dealt prices of the Shares on the market day on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 264,815,020 Shares is S\$133,466,770.

The financial effects of the purchase or acquisition of such Shares by the Company pursuant to the proposed Share Purchase Mandate on the audited financial statements of the Group and the Company for the financial year ended 31 December 2021 based on these assumptions are set out in paragraph 3.7 of the Letter.

Items 9 to 10 – Resolutions 9 and 10 are to approve the continued appointment of Ms. Frances Wong Waikwun, as an independent Director for the purposes of Rule 210(5)(d)(iii) of the Listing Manual of the SGX-ST. This Rule provides that a Director will not be independent if he has been a Director for an aggregate period of more than nine years and his continued appointment as an independent Director has not been sought and approved in separate resolutions by (a) all shareholders; and (b) shareholders excluding the Directors and the chief executive officer of the Company (being, in the case of the latter, the Company's Group Managing Director), and their respective associates.

Ms. Frances Wong Waikwun is an independent Director who will have served an aggregate of more than nine years on the Board of the Company as of 1 June 2022. The Company is accordingly seeking the requisite approvals under Rule 210(5)(d)(iii)(A) and (B) for Ms. Wong's continued appointment as an independent Director. If obtained, the requisite approvals will remain in force until the earlier of (a) the retirement or resignation of Ms. Wong as a Director, and (b) the conclusion of the third Annual General Meeting following the passing of Resolutions 9 and 10. Otherwise, Ms. Wong will be regarded as non-independent Director from 1 June 2022. Even if Resolutions 9 and 10 are not passed, based on the current Board composition of five independent Directors and three non-independent Directors, independent Directors will continue to comprise at least one-third of the Board for the purposes of Rule 210(5)(c) of the Listing Manual of the SGX-ST.

After a rigorous review, the Nominating Committee and the Board have determined that despite her length of tenure, Ms. Wong is able to discharge her duties with professionalism and objectivity, exercise strong independent judgement and act in the best interests of the Company and she remains independent. Ms. Wong abstained from all Nominating Committee and Board deliberations and decisions relating to her continued independence.

Under Rule 210(5)(d)(iii)(A), all shareholders may vote on Resolutions 9.

In compliance with Rule 210(5)(d)(iii)(B), the Group Managing Director and the other Directors of the Company, and their respective associates (as defined in the Listing Manual of the SGX-ST) will abstain from voting on Resolution 10. The Company will disregard any votes cast by the Group Managing Director and the other Directors of the Company, and their respective associates, in respect of their holdings of shares (if any) on Resolution 10. The Chairman of the Meeting will accept appointment as proxy for any other shareholder to vote in respect of Resolution 10, where such shareholder has given specific instructions in a validly completed and submitted proxy form as to voting, or abstentions from voting, in respect of Resolution 10.

If Resolution 9 is not passed, Resolution 10 will be withdrawn.
