Except for the adoption of new or amended Singapore Financial Reporting Standards as described in Section 5, the Group has applied the same accounting policies and methods of computation in these results as in the audited financial statements for the year ended 31 December 2014.

Changes to the Group's accounting policies have been made as required, in accordance with the transitional provisions in the respective FRS and INT FRS.

The Group's revenue for 2015 was \$11.6 million compared to \$9.1 million in 2014. The Group's revenue mainly relates to dividends received from HKT.

Total expenses in 2015 amounted to \$8.6 million compared to \$6.8 million in 2014. The difference is mainly due to the following:-

- Finance costs were \$3.0 million in 2015 compared to \$2.2 million in 2014. The net increase in finance costs was mainly due to an increase in interest expense of \$1.6 million offset by decreases in renewal and commitment fees for bank facilities of \$0.8 million.
- Legal and professional fees increased from \$1.2 million in 2014 to \$1.7 million in 2015 mainly due to professional fees in connection to an unsuccessful bid for the acquisition of the CPF Building in Singapore.
- Foreign exchange losses increased from \$0.3 million in 2014 to \$0.9 million in 2015. The exchange losses were mainly the result of exchange losses on the translation of Singapore denominated assets reflecting the strengthening of the HKD against the SGD.

The Group's share of profit of associated corporations was \$89.8 million in 2015 compared to \$117.0 million in 2014. These included the Group's share of profit from PCCW of \$89.6 million in 2015 compared to \$116.9 million in 2014.

PCCW registered a solid result for 2015, demonstrating resilient operational and financial performance while continuing to reinvest and drive future growth. PCCW's core revenue increased by 19% to HK\$39,149 million (\$6,937.7 million). Core EBITDA increased by 16% to HK\$12,139 million (\$2,151.2 million). These results in particular reflect the successful integration of CSL Holdings Limited ("CSL") and the accompanying financial benefits. PCCW's consolidated revenue increased by 18% to HK\$39,314 million (\$6,967.0 million) and consolidated EBITDA increased by 15% to HK\$11,878 million (\$2,104.9 million). Core profit attributable to equity holders of PCCW increased by 23% to HK\$2,370 million (\$420.0 million) in 2015 from HK\$1,931 million (\$342.2 million) in 2014. Excluding the one-time gain on disposal of the entire interest in Pacific Century Place, Beijing by its subsidiary, Pacific Century Premium Developments Limited in 2014, PCCW's consolidated profit attributable to equity holders from continuing operations increased by 36% to HK\$2,177 million (\$385.8 million). PCCW's consolidated profit attributable to equity holders was HK\$2,295 million (\$406.7 million).

HKT, the 63% subsidiary of PCCW, reported another set of fruitful financial results for 2015, reflecting the underlying strength and resilience of each of its lines of business and the successful integration of CSL. HKT's total revenue increased by 20% to HK\$34,729 million (\$6,154.5 million) and total EBITDA for 2015 was HK\$12,100 million (\$2,144.3 million), an increase of 18% over 2014. HKT's adjusted funds flow for the year ended 31 December 2015 reached HK\$4,093 million (\$725.3 million), an increase of 22% over the previous year.

The Group's share of profit of associated corporations for 2015 included the Group's share of a profit of \$0.2 million (2014: \$0.1 million) from its 49.87% Indian logistics associated corporation, KSH Distriparks Private Limited ("KSH").

The Group's profit attributable to equity holders for 2015 was \$91.0 million compared to \$116.9 million for 2014.

N.A.

10. A commentary at the date of the announcement of the significant trends and competitive conditions of the industry in which the group operates and any known factors or events that may affect the group in the next reporting period and the next 12 months.

The results of the Group are substantially dependent on the results of the Group's major investment, PCCW.

In the coming year, PCCW will continue to embrace the changes brought by the increasing digital lifestyle of consumers and digital transformation of enterprises. There will be increasing demand for content, connectivity, IT and cloud capabilities to drive business efficiencies and enhance customer experience, such as real time big data analytics which is made possible with the advance of Internet of Things ("IoT"). PCCW will continue to build its offerings and innovations to meet the future needs of its customers in the medium and longer term, thereby also benefiting from this trend. In this regard, its media, IT solutions and telecommunications businesses can collectively play a significant role and contribute to the overall growth of PCCW.

While maintaining its leadership in the Hong Kong pay-TV market, PCCW Media will be actively rolling out the Viu over-the-top ("OTT") video service internationally. Following the launch in Hong Kong, Singapore and Malaysia, Viu will have expanded presence in Indonesia and India in the first quarter. The service will capture the growing digital advertising and online subscription market. It is PCCW's goal to become the preeminent multi-screen video entertainment hub for Asian content in the region, and ultimately globally.

On domestic free television, HK Television Entertainment Company Limited has assembled a creative team of professionals in preparation for the commencement of broadcasting in April 2016. It has embarked on the production and acquisition of quality content to bring over 4,000 hours of fresh programming each year to offer Hong Kong viewers more choices in TV entertainment.

PCCW Solutions has identified a number of growth drivers and will capitalise on the increasing market demand for digital, IoT and cloud solutions and facilities in Hong Kong and mainland China. A recently launched cloud solutions suite, "Infinitum", offers customers comprehensive enterprise business applications and digital and analytics solutions.

As Hong Kong's largest provider of fixed line, broadband and mobile communications, HKT together with the Media business will continue to leverage its unique quadruple-play capabilities and make a solid and steady contribution to PCCW.

While both the local and global economic outlook in 2016 appears fragile, given PCCW's strong fundamentals, its efforts taken to transform itself in this digital era as outlined earlier, and a talented pool of staff, PCCW is well-positioned for sustainable growth as it continues its journey to become a major player in the region.
