JOINT ANNOUNCEMENT

FORMATION OF JOINT VENTURE WITH STANDARD CHARTERED AND CTRIP TO ESTABLISH A VIRTUAL BANK IN HONG KONG

CONNECTED TRANSACTION FOR HKT

Joint Venture Formation

HKT and the HKT Trust and PCCW are pleased to announce that, on March 27, 2019, wholly owned subsidiaries of HKT and PCCW, respectively, entered into the Subscription Agreement and the Shareholders' Agreement with SC Digital, Standard Chartered and Ctrip Sub, for the formation of a joint venture to undertake the business of operating a virtual bank in Hong Kong focusing on retail banking and delivering its products and services through a mobile application.

The business will be conducted by SC Digital as the Joint Venture company.

Grant of Virtual Bank Licence to SC Digital

On March 27, 2019, the HKMA granted SC Digital a licence to operate a virtual bank in Hong Kong. A "virtual bank" is a bank licensed under the Banking Ordinance which primarily delivers retail banking services through the internet or other forms of electronic channels instead of physical branches. SC Digital is one of only three entities to have received a virtual bank licence in Hong Kong to date.

Investment Amounts

Under the Subscription Agreement:

- (a) HKT Sub has agreed to subscribe for 24,163,800 ordinary shares in SC Digital, representing 15% of the total issued share capital of SC Digital at Closing, for an aggregate price of approximately HK\$241.6 million; and

- (b) PCCW Sub has agreed to subscribe for 16,109,200 ordinary shares in SC Digital, representing 10% of the total issued share capital of SC Digital at Closing, for an aggregate price of approximately HK\$161.1 million.

Under the Subscription Agreement, Standard Chartered and Ctrip Sub have also agreed to subscribe for ordinary shares in SC Digital at the same subscription price per ordinary share. At Closing, Standard Chartered and Ctrip Sub will hold ordinary shares in SC Digital representing 65.1% and 9.9%, respectively, of the total issued share capital of SC Digital.

Under the Shareholders' Agreement, the parties will invest further in SC Digital on a pro-rata basis in accordance with the requirements of its initial business plan. HKT Sub and PCCW Sub have agreed to invest up to a further amount of approximately HK\$239.3 million and HK\$159.5 million, respectively.

Reasons for the Transaction and Expected Benefits

The boards of directors of HKT and the Trustee-Manager and the board of directors of PCCW see the Joint Venture as a significant business opportunity for their respective groups. Participation in the Joint Venture will enable the HKT Group and the PCCW Group to integrate virtual banking into the service offering to its large base of existing customers. It is expected to give rise to value accretive synergies, in particular with the HKT Group's telecommunications businesses, providing opportunities to deepen customer relationships and a channel to foster greater financial inclusion and engagement with new customers, particularly the younger and digitally savvy segment. The Joint Venture offers the opportunity to combine with strong partners, benefiting from Standard Chartered's deep banking expertise, potential synergies with Ctrip's travel related businesses and economies of scale arising from joint investment and joint marketing activities. It is also hoped that the Joint Venture will bring an advantage of speed to the new virtual banking market in Hong Kong.

Listing Rules Implications

As PCCW owns approximately 51.97% of the total number of share stapled units of HKT and the HKT Trust in issue, PCCW is a connected person of HKT and the HKT Trust under Chapter 14A of the Listing Rules. Therefore, the Transaction is a connected transaction for HKT and the HKT Trust. As the Transaction is conducted on normal commercial terms and all of the applicable percentage ratios of HKT and the HKT Trust in respect of the Transaction are less than 5%, the Transaction is exempt from the circular (including independent financial advice) and shareholders' approval requirements under Rule 14A.76 of the Listing Rules. The Transaction is not a notifiable transaction for HKT and the HKT Trust under Chapter 14 of the Listing Rules, as all the applicable percentage ratios of HKT and the HKT Trust in respect of the Transaction are less than 5%.

HKT and the HKT Trust are not connected persons of PCCW and all of the applicable percentage ratios of PCCW in respect of the Transaction are less than 5%. Accordingly, the Transaction is not a notifiable transaction under Chapter 14 of the Listing Rules, or a connected transaction under Chapter 14A of the Listing Rules, for PCCW.
